THE ALBUM

# WORDS CHANGE. THE NIGHT DOES NOT.

NO TRANSLATION is a six-track journey through the moment when words stop being necessary. Turkish, Arabic, Albanian, Serbian, Bulgarian and Romanian voices enter the same night, each carrying its own rhythm, character and truth.

Across melodic progressive tech house, regional identity meets modern club production. Every track begins in a different language, but desire, tension and memory need no interpreter.

Six languages. One night. Nothing needs explaining.

# DON'T LOOK AWAY

## [VERSE 1]

You clocked me once.  
Then twice for proof.  
Acting unavailable  
in a see-through mood.  
No hello needed.  
Your face went loud.  
You came with friends,  
then forgot that crowd.  
One careful smile.  
One dangerous pause.  
You started something  
without saying a word.

## [PRE-HOOK]

Don't look away.  
Not now.  
Your eyes already said  
what your mouth left out.  
You made the first move  
without moving at all.  
Now stand behind it  
or watch it fall.

## [HOOK]

Don't look away  
when I catch your eye.  
Don't start the fire  
then act surprised.  
Bana öyle bakma.  
Come ruin your plan.  
Don't look away.  
You know who I am.

## [DROP]

Bana öyle bakma.  
Biraz daha yaklaş.  
Bu gece bizim.  
Kimse bilmesin.

## [VERSE 2]

Your drink got warm.  
Your story got thin.  
You keep saying no  
with a yes-shaped grin.  
No cheap pickup.  
No borrowed charm.  
Just that dangerous pause  
when you touched my arm.  
You know the answer.  
I know the game.  
Neither one of us  
needs to say a name.

## [PRE-HOOK]

Don't look away.  
You came this far.  
No one needs to know  
who we really are.  
Kimse bilmesin.

## [BRIDGE]

Ne istediğini biliyorum.  
Bana açıkça söyle.  
Gözlerini kaçırma.  
Şimdi geri dönme.  
Biraz daha yaklaş.  
Bu gece yanımda kal.  
Kimse bizi görmesin.

# DON'T LOOK AWAY

Bu gece bizim.

## [FINAL HOOK]

Don't look away.  
You started the game.  
Don't make me wonder  
if you came here to play.  
Bana öyle bakma.  
Come ruin your plan.  
Don't look away.  
Now take my hand.  
Don't look away  
when I catch your eye.  
You wanted the danger.  
Don't act surprised.  
Bana öyle bakma.  
No second chance.  
Don't look away.  
Come finish the dance.

## [FINAL DROP]

Bana öyle bakma.  
Biraz daha yaklaş.  
Bu gece bizim.  
Kimse bilmesin.

## [OUTRO]

Don't look away.  
You already stayed.  
No explanation.  
No promises made.

Your timing is weak.

Nuk dua premtime.  
Nëse do të rrish,  
rri pranë meje.  
Sytë e tu nuk gënjejnë.  
Unë e di çfarë kërkon.  
Mos u largo nga unë.  
Sonte, qëndro këtu.

Çfarë do ti?

## READ IT IN MY EYES

### [INTRO]

You brought your questions in the night.  
I met them with a single light.  
You asked me where the truth still lies.  
I said: read it in my eyes.

### [VERSE 1]

You came for answers, came for signs,  
counting shadows, crossing lines.  
You watch my silence, read my face.  
Every secret leaves a trace.  
You want names, you want proof,  
but my eyes reveal the truth.  
No confession, no disguise.  
If you need it, read my eyes.  
You measure every breath I take,  
waiting for a word to break.  
But the light gives me away  
before I know what I should say.  
No courtroom and no alibi,  
nothing left to classify.  
You don't need to ask me twice.  
Everything is in my eyes.

### [PRE-CHORUS]

Pogledaj me, pogledaj sad.  
Pridi bliže, ne gledaj nazad.  
U mojim očima vidiš sve.  
Bez pitanja, samo gledaj me.

### [CHORUS]

Read it in my eyes.  
No more alibis.  
Every hidden truth  
burns straight through disguise.

Pogledaj me sad.  
Ne gledaj nazad.  
If you want the truth tonight,  
read it in my eyes.

### [HELD NOTE]

### [DROP]

Pogledaj me.  
Pridi mi sad.  
Bez pitanja.  
Ne gledaj nazad.  
U mojim očima.  
Gori noć.  
Pridi bliže.  
Oseti moć.

### [INSTRUMENTAL BREAK]

### [VERSE 2]

Znaš kada ćutim, znaš svaki znak.  
Kad oči govore, nestaje mrak.  
Tražiš mi istinu, tražiš mi glas.  
Ali moj pogled već odaje nas.  
Noć skriva tragove, svetlo zna sve.  
Ako želiš odgovor, pogledaj me.  
Nema izgovora, nema više laži.  
Sve što tražiš moj pogled ti kaže.

### [BRIDGE]

U mojim očima gori noć.  
Pridi mi bliže, oseti moć.

### [RESPONSE]

Ne traži reči, ne traži glas.  
Jedan pogled već otkriva nas.

## READ IT IN MY EYES

### [RESPONSE]

Ostani ovde do kraja noći.  
Ako želiš istinu, gledaj me u oči.

### [HELD NOTE]

### [BUILD]

Pogledaj me.  
Pogledaj sad.  
Pridi bliže.  
Ne gledaj nazad.

### [FINAL CHORUS]

Read it in my eyes.  
No more alibis.  
Every hidden truth  
burns straight through disguise.  
Pogledaj me sad.  
Ne gledaj nazad.  
If you want the truth tonight,  
read it in my eyes.  
Read it in my eyes.  
Nothing left to hide.  
Every word you wanted  
is written deep inside.  
Pogledaj me sad.  
Ne gledaj nazad.  
If you want the truth tonight,  
read it in my eyes.

### [FINAL DROP]

Pogledaj me.  
Pridi mi sad.  
Bez pitanja.  
Ne gledaj nazad.

U mojim očima.  
Gori noć.  
Pridi bliže.  
Oseti moć.

### [OUTRO]

No final answer.  
No goodbye.  
I never had  
to tell you why.  
You read it  
in my eyes.

### [PRE-CHORUS]

Остани до сутринта.  
Не говори за края.  
Тази нощ е още наша.  
Не си тръгвай. Остани.

Before dawn.  
Stay until the shadows leave.  
Преди зори.

### [VERSE 2]

Палтото ти е до вратата.  
Сянката ти е на стената.  
Не ми обещавай утре.  
Тази нощ ми е достатъчна.

Знам, че утрото ще дойде.  
Знам, че всичко ще отмине.  
Но докато сме още тук,  
остани до мен без думи.  
Не ме питай къде отивам.  
Няма нужда да решаваме.  
Когато светлината влезе,  
можем пак да се забравим.  
Но преди да стане светло,  
остани до мен.

### [BRIDGE]

Не си тръгвай.  
Остани.

# UNDER YOUR SKIN

## [INTRO]

You said you forgot me.  
You almost sounded convincing.  
Almost.  
Sub pielea ta.

## [VERSE 1]

You changed the number.  
You changed the room.  
You changed every detail  
except the perfume.  
You deleted the message.  
You kept every word.  
You told everybody  
you were never disturbed.  
You call it finished.  
You call it the past.  
Then why does your breathing  
change when I ask?  
No visible damage.  
No evidence left.  
But I know every place  
where you hide the effect.

## [PRE-CHORUS]

Nu mă poți uita.  
Te cunosc prea bine.  
Nu fugi de mine.  
Sunt sub pielea ta.

## [CHORUS]

Under your skin.  
I know where I've been.  
Sub pielea ta.  
Where nobody sees.

You can change the story.  
You can change your mind.  
Under your skin.  
I'm what you left behind.  
Nu mă poți uita.  
Under your skin.

## [DROP]

Sub pielea ta.  
Vino mai aproape.  
Nu spune nimic.  
Nu mă poți uita.  
Sub pielea ta.  
Rămâi cu mine.  
Nu pleca acum.  
Te cunosc prea bine.

## [INSTRUMENTAL BREAK]

## [VERSE 2]

Spui că nu-ți pasă.  
Dar te întorci mereu.  
Îți ascunzi privirea,  
dar eu văd tot.  
Nu-mi cere explicații.  
Nu vreau promisiuni.  
Dacă vrei să pleci,  
de ce rămâi aici?  
Ai schimbat povestea.  
Ai șters orice semn.  
Dar când mă vezi aproape,  
uiți tot ce spuneai.  
Nu te mai ascunde.  
Nu mai spune "nu".  
Știi că sunt încă

## UNDER YOUR SKIN

sub pielea ta.

### [BRIDGE]

Ce cauți aici?  
Spune-mi adevărul.  
Nu pleca acum.  
Vino mai aproape.  
Nu spune nimic.  
Rămâi cu mine.  
Te cunosc prea bine.  
Sunt sub pielea ta.

### [BUILD]

Sub pielea ta.  
Nu mă poți uita.  
Sub pielea ta.  
Vino mai aproape.

### [FINAL CHORUS]

Under your skin.  
I know where I've been.  
Sub pielea ta.  
Where nobody sees.  
You can change the story.  
You can change your mind.  
Under your skin.  
I'm what you left behind.  
Under your skin.  
No mark, no trace.  
Sub pielea ta.  
In your quietest place.  
You can keep pretending.  
You can call it a lie.  
Under your skin.  
I never said goodbye.

### [FINAL DROP]

Sub pielea ta.  
Vino mai aproape.  
Nu spune nimic.  
Nu mă poți uita.  
Rămâi cu mine.  
Nu pleca acum.  
Te cunosc prea bine.  
Sub pielea ta.

### [OUTRO]

You said you forgot me.  
Try saying it  
without holding your breath.  
Sub pielea ta.

PRODUCTION NOTE

# SIX VOICES. ONE LANGUAGE

Built around melodic progressive tech house, NO TRANSLATION brings six languages into one continuous club journey. Regional vocal identities and contemporary electronic production meet without flattening what makes each voice distinct. The words change from track to track.
