KEY SIGNATURE

3# — F#, C#, G#

GENRE

Eurodance

RELEASE

3 January 2027

PRODUCER

DJ Andy'K

THE STORY

The bassline found our pulse before we noticed it was gone. Some nights don't need words, just movement. Before thought, before words, the body knows the rhythm and answers it. Some connections happen entirely in movement. What does your body remember that your mind has long forgotten?
