KEY SIGNATURE

1# — F#

GENRE

Eurodance

RELEASE

3 January 2027

PRODUCER

DJ Andy'K

## THE STORY

*The beat stopped asking permission somewhere around midnight. By the drop, none of us were driving anymore. There is a moment on every great night when we stop steering and let the music decide. Losing control can be the most honest freedom we know. When did you last let the beat take you without asking where?*
