THE STORY

> *Dust still dancing through an empty window, a voice still living in the blue — nothing disappeared, it only changed its skin. Loss rarely erases a person; it changes the form in which they stay with us — a room that remembers rain, a city that still carries their echo. Where does someone go when they are gone, if not further into us?*

LYRICS

Further Than Forever

INTRO

VERSE 1

The apartment still remembers rain
Dust dancing through the window frame
Your voice remains in empty blue
Like elevators passing through

BUILD-UP

Slow computer lights…
Half-awake at 5…
Somewhere, something survives…

CHORUS

Further than forever
Past the bending streets
Past the sleepless supermarkets
And the tired city sleep
Nothing disappeared
It only changed its skin
Further than forever
You still exist within

VERSE 2

Neon bleeding on the floor
From the half-shut liquor store
Every silence feels too wide
Since the night you slipped outside

SHORT BRIDGE

We were never really gone…
Only hidden in the storm…

FINAL CHORUS

Further than forever
Past the bending streets
Past the sleepless supermarkets
And the tired city sleep
Nothing disappeared
It only changed its skin
Further than forever
You still exist within

OUTRO

Further than forever…
You never fully leave…
