THE STORY

> *Every wall built too high, every scar carried too long — until letting go feels like falling, and falling finally feels like arriving. We hold on because we believe strength means never falling. Yet putting the weight down can feel less like defeat and more like coming home. What if the fall you fear is the beginning you have been waiting for?*

LYRICS

Letting Go Feels Like Falling

INTRO

VERSE 1

I've been holding on so long
Thinking I had to be strong
Carrying every single scar
Not sure who we really are

PRE-CHORUS

I am falling
Into nothing
Letting go now

CHORUS

Letting go feels like falling
Deeper than I've ever gone
Letting go feels like falling
Finding out where I belong

VERSE 2

Every wall I built so high
Every tear I couldn't cry
Every word I swallowed down
Every time I almost drowned

PRE-CHORUS

I am falling
Into nothing
Letting go now

CHORUS

Letting go feels like falling
Deeper than I've ever gone
Letting go feels like falling
Finding out where I belong

BRIDGE

What if falling
Is not the end
What if this is
Where we begin

Letting go feels like falling
Deeper than I've ever gone
Letting go feels like falling
Finding out where I belong
