THE STORY

> *The sun going down, and wanting to go down with it — lost in your eyes, golden, unwilling to end. Love can feel less like a beginning than a gentle disappearing, the world fading out until only two people remain in the last warm light. What would you let fade if it meant staying in that light a little longer?*

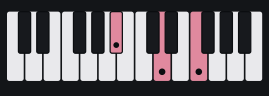

CHORD PROGRESSION

D MINOR · 140 BPM

LYRICS

Sunset Over Us

VERSE 1

The way you look at me now
You never really have to say much
Just like the sun going down
I wanna go down with you
Sunset over us

CHORUS

I wanna be in your eyes forever
I wanna be lost in your love
Sunset over us

VERSE 2

The way the light falls on your skin
I never want this night to end
Just like the stars coming out
I wanna stay out with you
Sunset over us

CHORUS

I wanna be in your eyes forever
I wanna be lost in your love
Sunset over us

VERSE 3

The way the world just disappears
When you are standing close to me
Just like the day fading out
I wanna fade out with you
Sunset over us

CHORUS

I wanna be in your eyes forever
I wanna be lost in your love
Sunset over us
