THE STORY

> *No promises were broken because none were ever made. Sometimes silence is the only goodbye people leave behind. Some people pass through our lives without asking to be remembered, and yet they change the air we breathe. Can something that was never meant to last still become part of who we are?*

LYRICS

Nothing Asked To Stay

INTRO

VERSE 1

You came without a reason why,
No warning written in the sky.
You took the empty chair beside
The open window and the light.
No grand beginning,
No perfect phrase.
Nothing asked
To be explained.

PRE-CHORUS

Maybe moments find their meaning
Only after they are gone.
Maybe what we never planned
Can still become the strongest song.

CHORUS

Nothing asked to stay,
Still the feeling stayed with me.
Nothing asked to change,
Still you changed the air I breathed.
We never made a promise.
We never named the day.
Nothing asked to stay,
But nothing went away.

DROP

Nothing asked to stay...

VERSE 2

The room kept moving all around,
But somehow we escaped the sound.
You laughed, and every open door
Felt different from the way before.
No expectation,
No need to prove.
Just something warm
Inside the room.

PRE-CHORUS

Maybe every passing moment
Leaves a colour in the air.
Maybe nothing has to last
To leave a part of itself there.

CHORUS

Nothing asked to stay,
Still the feeling stayed with me.
Nothing asked to change,
Still you changed the air I breathed.
We never made a promise.
We never named the day.
Nothing asked to stay,
But nothing went away.

BREAKDOWN

We did not try to hold it.
We did not ask
For one more sign.
We only let the moment
Become larger than its time.

BUILD

No promise made.
No price to pay.
Nothing asked...
Nothing stayed...
And still,
Nothing went away.

FINAL CHORUS

Nothing asked to stay,
Still the feeling stayed with me.
Nothing asked to change,
Still you changed the air I breathed.
We never made a promise.
We never named the day.
Nothing asked to stay,
But nothing went away.
Nothing asked to stay,
Still the room remembers you.
Nothing asked for anything,
Yet somehow everything felt new.

FINAL DROP

Nothing asked to stay...

OUTRO

Nothing went away...
