THE STORY

> *We both knew exactly where this would end. That never stopped us from beginning. Some choices are not made with the head, and that is exactly their charm. Regret is tomorrow's problem; tonight belongs to the risk. Which bad idea would you still choose again, simply for the memory it gave you?*

LYRICS

One More Bad Idea

VERSE 1

You walked in late,
With trouble in your eyes.
One little smile,
And there went my good advice.
You moved so close,
I forgot why I should leave.
I knew you were a bad idea,
But you looked good to me.

PRE-CHORUS

One more look.
One more drink.
One more second
Not to think.
We can blame it
On the night.
Something wrong
Can feel so right.

CHORUS

One more bad idea,
One more reckless night.
We can call it trouble,
But it feels too right.
One more bad idea,
One more stolen kiss.
If tomorrow brings regret,
I'll still remember this.

POST-CHORUS

One more...
One more bad idea.
One more...
Come a little nearer.

DROP

VERSE 2

The room gets warm,
The music pulls us in.
You say we should behave,
Then you start to grin.
The lights go low,
Your hand is holding mine.
We both know where this is going,
And neither one will mind.

PRE-CHORUS

One more look.
One more drink.
One more second
Not to think.
Leave the morning
Far outside.
We have nowhere
Else to hide.

CHORUS

One more bad idea,
One more reckless night.
We can call it trouble,
But it feels too right.
One more bad idea,
One more stolen kiss.
If tomorrow brings regret,
I'll still remember this.

BREAKDOWN

Maybe this is foolish.
Maybe that is true.
But every bad decision
Led me here to you.
So let the morning judge us.
Let it say what it will.
I knew you were a bad idea...
And I want you still.

BUILD

One more look.
One more touch.
One more night
Is not too much.
One more heartbeat.
One more kiss.
Tell me you
Remember this.

FINAL CHORUS

One more bad idea,
One more reckless night.
We can call it trouble,
But it feels too right.
One more bad idea,
One more stolen kiss.
If tomorrow brings regret,
I'll still remember this.
One more bad idea,
Stay until the light.
We can make tomorrow wait.
We still have tonight.
One more bad idea,
Come a little near.
Let the whole world disappear.
I just want you here.

FINAL DROP

One more...
Bad idea.
One more...
Stay right here.
