THE STORY

> *Morning was already waiting outside the window. We just weren't ready to let it in. The last hour before dawn holds a particular kind of courage: no plans, no promises, only the wish not to break the spell. How many beautiful things ended only because we were in a hurry to leave?*

CHORD PROGRESSION

F MINOR · 137 BPM

LYRICS

Stay A Little Longer

INTRO

VERSE 1

The night was almost over,
But neither one moved on.
The streets were getting quieter,
The first light nearly born.
You looked at me so softly,
Like there was more to say.
And suddenly the morning
Felt much too close away.

PRE-CHORUS

We do not need a reason.
We do not need a plan.
Just let this moment hold us
For as long as it can.

CHORUS

Stay a little longer,
Don't let this moment go.
Stay a little longer,
There's still so much I want to know.
Let the morning wait outside,
You don't have to leave tonight.
Stay a little longer,
Stay until the sky turns light.

DROP

"Stay a little longer..."
"Don't let this moment go..."
"Until the sky turns light..."

VERSE 2

Your jacket on my shoulders,
Your hand still holding mine.
We talked about the future
Like we had all the time.
No promises between us.
No words we had to prove.
Just two people standing
With nothing left to lose.

PRE-CHORUS

Maybe when the sun comes,
Everything will change.
But here inside this moment,
Nothing feels too far away.

CHORUS

Stay a little longer,
Don't let this moment go.
Stay a little longer,
There's still so much I want to know.
Let the morning wait outside,
You don't have to leave tonight.
Stay a little longer,
Stay until the sky turns light.

BREAKDOWN

Maybe this is all we get.
Maybe that is still enough.
One quiet night,
One open door,
One moment that still feels like us.

BUILD

One more minute...
One more light...
Stay with me...
Until the sky turns light...

FINAL CHORUS

Stay a little longer,
Don't let this moment go.
Stay a little longer,
There's still so much I want to know.
Let the morning wait outside,
You don't have to leave tonight.
Stay a little longer,
Stay until the sky turns light.

FINAL DROP

"Stay a little longer..."
"Don't let this moment go..."
"Until the sky turns light..."

OUTRO

"Stay until the sky turns light..."
