THE STORY

> *Some nights are remembered because nothing was rushed. Every touch felt like it had all the time in the world. In a world that rushes everything, slowness becomes a kind of tenderness, a way of telling someone they are worth every second. What would change if you stopped hurrying the moments that deserve to be felt?*

CHORD PROGRESSION

F♯ MINOR · 136 BPM

LYRICS

Take It Off Slowly

INTRO

VERSE 1

The room was fading into shades of blue,
But every light was leading me to you.
You smiled like you already knew my name,
And nothing after that was quite the same.
One step closer...
Nothing rushed.
Everything began
With just one touch.

PRE-CHORUS

Every heartbeat...
Pulls me closer.
Every second...
Burns a little more.
Don't look away...
Stay...

CHORUS

Take it off slowly,
Let the room disappear.
Come a little closer,
I just need you near.
Take it off slowly,
Stay right here with me.
Leave the whole world outside...
Tonight we're free.

DROP

"Take it off..."
"Come closer..."
"Stay with me..."

VERSE 2

Your shadow dancing underneath the lights,
Like summer never wanted us goodbye.
No promises...
No reason why.
Just one more moment...
You and I.

PRE-CHORUS

Every heartbeat...
Feels electric.
Every breath...
Pulls us in.
Don't let go...

FINAL CHORUS

Take it off slowly,
There's nothing left to fear.
Come a little closer,
I just need you near.
Take it off slowly,
Stay right here with me.
Leave the whole world outside...
Tonight we're free.

BREAKDOWN

If tomorrow comes too early,
Let tonight remember us.
One last look...
One last smile...
Before the sunrise.

BUILD

Closer...
Don't stop...
Right here...
Take it off slowly...

FINAL DROP

Take it off slowly,
There's nothing left to fear.
Come a little closer,
I just need you near.
Take it off slowly...
Take it off slowly...

OUTRO
