THE STORY

> *You smiled for only a second, but the moment stayed forever. Some people never know how much one smile can change. A smile can carry a whole world without its owner ever noticing, turning an ordinary hello into the moment everything changed. Whose smile once brought you back to life without them ever knowing it?*

LYRICS

The Way You Smile

INTRO

VERSE 1

I saw you standing underneath
the light,
Like you had turned the dark into
the night.
You never tried to make the
whole room stare,
But somehow every eye was
already there.
You said hello,
And time stood still.
I did not know
A simple moment could feel so
real.

PRE-CHORUS

Maybe you do not see
What happens when you look at
me.
The whole world changes
For a little while.

CHORUS

It is the way you smile,
Like nothing ever hurt you.
The way you smile,
Like every light belongs to you.
For just a little while,
Everything feels right.
It is the way you smile
That brings me back to life.

DROP

"The way you smile..."
"Back to life..."

VERSE 2

We walked until the city lost its
sound,
Like there was no one else for
miles around.
No perfect words,
No grand design.
Just your hand moving slowly into
mine.
You laughed once,
I looked away,
Because I knew
I would remember that for days.

PRE-CHORUS

Maybe you do not know
How far one little moment goes.
The whole world changes
When you let it show.

CHORUS

It is the way you smile,
Like nothing ever hurt you.
The way you smile,
Like every light belongs to you.
For just a little while,
Everything feels right.
It is the way you smile
That brings me back to life.

BREAKDOWN

I do not need forever.
I do not need a sign.
Just give me one more second
With that light inside your eyes.

BUILD

One more second...
One more light...
The way you smile...
Brings me back to life.

FINAL CHORUS

It is the way you smile,
Like nothing ever hurt you.
The way you smile,
Like every light belongs to you.
For just a little while,
Everything feels right.
It is the way you smile
That brings me back to life.

FINAL DROP

"The way you smile..."
"Everything feels right..."
"Back to life..."

OUTRO

"The way you smile..."
