THE STORY

> *For one night, tomorrow couldn't find us. We lived as if sunrise had forgotten our names. Time never really stops, but for a few hours it can feel left behind, like a last train that departed without us. What would you do with one night when tomorrow could not find you?*

LYRICS

We Outran Tomorrow

INTRO

VERSE 1

The last train left without our names,
The clocks kept turning all the same.
You took my hand and crossed the street,
Like morning had forgotten me.
No destination,
No looking back.
Just open windows
And a silver track.

PRE-CHORUS

Maybe time was never ours.
Maybe that was all right.
We only needed one more road
And one unfinished night.

CHORUS

We outran tomorrow,
Left the daylight far behind.
We outran tomorrow,
With your heartbeat next to mine.
No map to follow.
No need to know.
We kept moving faster
Than the morning dared to go.
We outran tomorrow,
And never asked it to slow.

DROP

We outran tomorrow...

VERSE 2

The city opened mile by mile,
Every red light made you smile.
The sky was changing overhead,
But we kept moving on instead.
No explanation,
No final call.
We let the sunrise
Chase us through it all.

PRE-CHORUS

Maybe every perfect thing
Is gone before it shows.
Maybe that is why we ran
Where only midnight goes.

CHORUS

We outran tomorrow,
Left the daylight far behind.
We outran tomorrow,
With your heartbeat next to mine.
No map to follow.
No need to know.
We kept moving faster
Than the morning dared to go.
We outran tomorrow,
And never asked it to slow.

BREAKDOWN

We were not escaping anything.
We were only proving
That one good night
Could still be bigger
Than the hours around it.

BUILD

Keep the windows open.
Let the whole world show.
We are moving faster
Than tomorrow knows.

FINAL CHORUS

We outran tomorrow,
Left the daylight far behind.
We outran tomorrow,
With your heartbeat next to mine.
No map to follow.
No need to know.
We kept moving faster
Than the morning dared to go.
We outran tomorrow,
And never asked it to slow.
We outran tomorrow,
Past the limits of the night.
Every road kept opening.
Every wrong turn felt right.

FINAL DROP

We outran tomorrow...

OUTRO

Tomorrow...
Could not catch us...
