THE STORY

> *A love that poisons as much as it heals — a spell you can feel taking you under, and still don't want to break. Some loves feel like fire and poison at the same time, the danger becoming part of the pull. Knowing it hurts rarely makes it easier to leave. What keeps us returning to the very thing we know is burning us?*

LYRICS

In My Veins

VERSE 1

Your shadow moves, it pulls me near,
I taste the danger, crystal clear.
Every touch, a burning flame,
Your poison runs inside my veins.

PRE-CHORUS

I should leave, I know it's true,
But every night, I fall for you.
Can't escape, I'm not the same,
Your poison's calling out my name.

CHORUS

Poison in my veins tonight,
Darkness glowing in your light.
I can't break this fatal spell,
Your poison drags me into hell.

BRIDGE

Addicted to the fire...
And I want it more.

FINAL CHORUS

Poison in my veins tonight,
Darkness glowing in your light.
I can't break this fatal spell,
Your poison drags me into hell.
