THE STORY

> *The hour the city empties out — just the two of you, the open road, and no reason left to turn back. At night the roads seem to belong to whoever is brave enough to take them, and every mile feels like freedom. Where would you drive tonight if there were no reason to turn back?*

LYRICS

Midnight Drive

VERSE 1

Neon lights glow, the city breathes,
Every street is ours to seize.
Wheels are turning, time stands still,
Every shadow bends to our will.

PRE-CHORUS

No rules, no chains, just open skies,
Every heartbeat electrifies.

CHORUS

Midnight drive, we're burning through the night,
Lost in your eyes, I feel the fire ignite.
No turning back, the road is ours tonight,
Midnight drive, forever feels so right.

BRIDGE

Quiero sentir tu voz en la noche,
donde el destino nos lleva...
(I want to feel your voice in the night,
where destiny takes us...)

OUTRO

Midnight drive... forever feels so right
