THE STORY

> *The scent that outlasts the person — invisible, impossible to wash off, a memory living on skin long after they're gone. Of all the senses, scent travels back fastest, opening a whole relationship in a single breath. A person can leave a room and still remain everywhere in it. What scent still carries someone back to you?*

LYRICS

Perfume

VERSE 1

Your touch lingers, I can't forget,
A hidden flame, a silhouette.
Every moment, you remain,
Like a scent I can't escape.

CHORUS

Parfum… stays forever in the night,
Invisible, but it feels so right.
Parfum… on my body, in my veins,
Every memory still remains.

VERSE 2

Through the darkness, I still feel,
The trace of you, the way it's real.
Closer, deeper, nothing's the same,
Perfume whispers out your name.

BRIDGE

Ton parfum reste… un secret dans l'air.
Invisible… mais je le sens partout.
(Your perfume stays… a secret in the air.
Invisible… but I feel it everywhere.)

FINAL CHORUS

Parfum… stays forever in the night,
Invisible, but it feels so right.
Parfum… on my body, in my veins,
Every memory still remains.
