THE STORY

> *Survival is not shown as an escape, but as light remaining inside every scar. The afterglow becomes proof that the darkness did not win. What once hurt becomes a map of everywhere we did not give up. The glow is not a denial of the past, but what grows out of it. What would you see if you looked at your scars as light instead of damage?*

CHORD PROGRESSION

F MINOR · 138 BPM

LYRICS

Alive in the Afterglow

INTRO

Hands on the glass
I'm still here
Gold on my skin
I'm still here
Heart in my throat
Turned to a beacon
One more step
And I'm beyond the ceiling

VERSE 1

Morning hit slow
But I woke up shining
Scars on my arms
Look like map lines
You said I'd fade
I said watch me glow
I kept that spark
Where the dark can't go

PRE-CHORUS

Now the air is thinner
I can feel it pull
Every wound gets brighter
When I let it burn

CHORUS

Alive in the afterglow
Alive in the afterglow
Hold me close
Watch me grow
Alive in the afterglow
Alive in the afterglow
I was lost
Now I know

VERSE 2

Rain on the roof
And it sounds like mercy
I left that room
But it never left me

PRE-CHORUS

Now the air is thinner
I can feel it pull
Every wound gets brighter
When I let it burn

CHORUS

Alive in the afterglow
Alive in the afterglow
Hold me close
Watch me grow
Alive in the afterglow
Alive in the afterglow
I was lost
Now I know

BRIDGE

Take me higher
Take me through
If I break apart
I break into truth

FINAL CHORUS

Alive in the afterglow
Alive in the afterglow
Hold me close
Watch me grow
Alive in the afterglow
Alive in the afterglow
I was lost
Now I know
