## THE STORY

> *Your shadow still lingers in the hallway, knowing my name too well — so I took the broken pieces and built a ring of hell instead of a grave. Not every wound needs to be hidden; some become the ground we learn to stand on. What would change if you learned to dance in the weather you were left with?*

LYRICS

# I Kept the Storm

### VERSE 1

You left the door half-open
I felt the cold move in
Ash on the windowsill
Rain in the sink again
Your shadow in the hallway
Still knows my name too well
I took the broken pieces
And made a ring of hell

### PRE-CHORUS

I watched the sky turn black
Then learned to breathe it in
If you come back for mercy
You'll find me standing in

### CHORUS

I kept the storm
I kept the storm
You left it on my skin
I kept the storm
I kept the storm
Now watch me dance in it
(Kept the storm)
(Kept the storm)

### VERSE 2

Your note is in my jacket
Faded at the seams
Says "don't let this part of you
Go quiet in your dreams"
So I walk through the thunder
Like it's calling me home
Every crack in the ceiling
Sings me back my own

### PRE-CHORUS

I watched the sky turn black
Then learned to breathe it in
If you come back for mercy
You'll find me standing in

### CHORUS

I kept the storm
I kept the storm
You left it on my skin
I kept the storm
I kept the storm
Now watch me dance in it
(Kept the storm)
(Kept the storm)

### BRIDGE

Break me open
I won't fold
I turned the wreckage
Into gold
Take your silence
Take your blame
I built a sunrise
Out your rain

### FINAL CHORUS

I kept the storm
I kept the storm
You left it on my skin
I kept the storm
I kept the storm
Now watch me dance in it
I kept the storm
I kept the storm
And I won't give you back
I kept the storm
I kept the storm
I made a light from that (I Kept The Storm)
