THE STORY

> *Every artist reaches a moment when the old chapter no longer tells the truth. This spoken opening clears the room: one name, four voices and a single continuous journey through trance. Nothing needs to be explained before the music begins. What would you leave behind if you could start again with only the feeling?*

LYRICS

Intro

SPOKEN INTRO

This is DJ Andy'K.

Euphoria Needs No Story
is the defining album of DJ Andy'K.

It replaces the withdrawn album
Music Is Your Passion,
which no longer represented
the artistic direction
and the quality standard
of DJ Andy'K.

This new ten-track trance album
marks a new chapter
and becomes the defining album
of his musical journey.

A new era begins.

Four voices.
One continuous trance journey.

FROM 'EUPHORIA NEEDS NO STORY'

Euphoria needs no story.
Let it move,
let it move through me.
Euphoria needs no story.
No words—
only frequency.
