## THE STORY

> *No map, no signal, no reason that can be explained out loud — only a pull that keeps proving itself right. Direction survives even when every visible marker disappears. We are taught to trust maps and signs, yet the most important journeys are guided by something no one else can see. What inner direction have you been following, even without being able to explain it?*

LYRICS

# Invisible North

### VERSE 1

No signs on the road
No map in my hand
I don't know the way
But I know where I stand
The city disappears
The signal is gone
Something inside me
Keeps pulling me on

### PRE-CHORUS

I can't see the answer
I can't see the source
But every step keeps turning
To my invisible north

### CHORUS

Invisible north
Invisible north
I don't know where I'm going
But I know I'm on course
Invisible north
Invisible north
When the whole world loses direction
I follow the force

### VERSE 2

No stars in the sky
No light on the street
Still something is moving
Underneath my feet
I stopped asking why
I stopped counting the cost
Maybe having no direction
Doesn't mean I'm lost

### PRE-CHORUS

I can't see the answer
I can't see the source
But every step keeps turning
To my invisible north

### FINAL CHORUS

Invisible north
Invisible north
I don't know where I'm going
But I know I'm on course
Invisible north
Invisible north
When the whole world loses direction
I follow the force

### OUTRO – DEEP SPOKEN VOICE

No map.
No sign.
Still—I know the way.
