THE STORY

> *The edge of who we are, and the choice to hold on anyway — even when daylight feels too far away. Strength is not always the absence of fear; often it is the quiet decision to stay when everything inside says run. Who is the spark that pulls you through when you are close to letting go?*

CHORD PROGRESSION

C MINOR · 130 BPM

LYRICS

Pull Me Through

VERSE 1

I was close to letting go
Kept it quiet, kept it low
Every feeling I ignore
Knocking louder than before

PRE-CHORUS

No more running from the dark
You're the fire, you're the spark

CHORUS

When the daylight breaks but it feels too far
And the pressure starts to grow
When I'm standing on the edge of who we are
I'll be holding on, I know
When the noise inside gets hard to trust
And there's nowhere left to fall
When I'm standing on the edge of who we are
I'll be holding on through it all

DROP

Hold on
Through it all
Hold on
Don't let go

VERSE 2

Every step I tried to fake
Every smile starts to break
You can see it in my eyes
All the truth I tried to hide

PRE-CHORUS

No more running from the dark
You're the fire, you're the spark

CHORUS

When the daylight breaks but it feels too far
And the pressure starts to grow
When I'm standing on the edge of who we are
I'll be holding on, I know
When the noise inside gets hard to trust
And there's nowhere left to fall
When I'm standing on the edge of who we are
I'll be holding on through it all

BREAK

FINAL CHORUS

When the daylight breaks but it feels too far
I'll be holding on, I know

OUTRO

Hold on
Through it all
