THE STORY

> *Some looks ask questions. Others already know the answer. Attraction often begins before a single word, in the confidence of a glance that refuses to pretend. A look can be a question, a dare and an answer all at once. Do you dare to hold the gaze that already told you everything?*

LYRICS

Don't Look Away (Bana Öyle Bakma)

VERSE 1

You clocked me once.
Then twice for proof.
Acting unavailable
in a see-through mood.
No hello needed.
Your face went loud.
You came with friends,
then forgot that crowd.
One careful smile.
One dangerous pause.
You started something
without saying a word.

PRE-HOOK

Don't look away.
Not now.
Your eyes already said
what your mouth left out.
You made the first move
without moving at all.
Now stand behind it
or watch it fall.

HOOK

Don't look away
when I catch your eye.
Don't start the fire
then act surprised.
Bana öyle bakma.
Come ruin your plan.
Don't look away.
You know who I am.

DROP

Bana öyle bakma.
Biraz daha yaklaş.
Bu gece bizim.
Kimse bilmesin.

VERSE 2

Your drink got warm.
Your story got thin.
You keep saying no
with a yes-shaped grin.
No cheap pickup.
No borrowed charm.
Just that dangerous pause
when you touched my arm.
You know the answer.
I know the game.
Neither one of us
needs to say a name.

PRE-HOOK

Don't look away.
You came this far.
No one needs to know
who we really are.
Kimse bilmesin.

BRIDGE

Ne istediğini biliyorum.
Bana açıkça söyle.
Gözlerini kaçırma.
Şimdi geri dönme.
Biraz daha yaklaş.
Bu gece yanımda kal.
Kimse bizi görmesin.
Bu gece bizim.

FINAL HOOK

Don't look away.
You started the game.
Don't make me wonder
if you came here to play.
Bana öyle bakma.
Come ruin your plan.
Don't look away.
Now take my hand.
Don't look away
when I catch your eye.
You wanted the danger.
Don't act surprised.
Bana öyle bakma.
No second chance.
Don't look away.
Come finish the dance.

FINAL DROP

Bana öyle bakma.
Biraz daha yaklaş.
Bu gece bizim.
Kimse bilmesin.

OUTRO

Don't look away.
You already stayed.
No explanation.
No promises made.
