THE STORY

> *Our habits sometimes preserve what we have not yet found the courage to name. We carry small permissions from an earlier life, long after we stopped knowing whether they still hold. Their familiar weight keeps a possibility close: somewhere, perhaps, there is still a place for us. How much of the past do we carry because a part of us still hopes to be let in?*

LYRICS

Never Took It Off

VERSE 1

You gave me a spare key that winter.
I never asked you to take it back.
It's tangled with the rest by habit.
I never noticed till I checked.

PRE-CHORUS

You said the lock might change by summer.
You said I'd know somehow, someway.
Somewhere between the keys and habit,
I turn it anyway.

CHORUS

I never took it off the ring.
Some things you just don't drop that easy.
I never took it off the ring.
Still fits the door, still feels the same to me.

VERSE 2

I drove past where you used to live now.
I don't know why I slowed the car.
The key was warm against my palm still.
I didn't get too far.

PRE-CHORUS

You said one day I'd finally lose it.
You said I'd learn to let it go.
Somewhere between the keys and habit,
I guess I chose the road.

CHORUS

I never took it off the ring.
Some things you just don't drop that easy.
I never took it off the ring.
Still fits the door, still feels the same to me.

OUTRO

Still on the ring.
Still means the same.
