THE STORY

> *Being wanted can make us impatient; feeling safe enough to take our time asks for another kind of trust. Every pause becomes part of the intimacy, every small gesture has room to be felt. For once, there is no need to hurry past the very thing we came close to experience. What might you discover if you let a beautiful moment take as long as it needs?*

LYRICS

Slow Down

VERSE 1

You locked the door before I asked you.
I liked the way you took your time.
You said the night's not going anywhere.
I said good, then neither am I.

PRE-CHORUS

You traced a line along my collar.
I caught your hand, then let it stay.
You leaned in close and didn't whisper.
I didn't need you to anyway.

CHORUS

Slow down, we've got all night.
Slow down, do it right.
Every move you make, I'm keeping score.
Slow down, then give me more.

VERSE 2

You said you'd wait however long now.
I said that's not what I want tonight.
You smiled like you already knew that.
I turned off every light.

PRE-CHORUS

You said the rest could wait till morning.
I said I'm done with waiting types.
You pulled me closer, no more talking.
I liked you best without the lights.

CHORUS

Slow down, we've got all night.
Slow down, do it right.
Every move you make, I'm keeping score.
Slow down, then give me more.

OUTRO

All night.
Don't stop.
