THE STORY

> *Sometimes we believe there will always be time — time to decide, to speak, to return — until one day we realize, quietly, that later became never. Most endings do not arrive with a slammed door; they slip in through the plans we keep postponing. Every unsent word assumes a tomorrow that was never promised. What are you still saving for later that deserves to happen now?*

LYRICS

Intro – When Later Becomes Never

SPOKEN TEXT

Sometimes we believe
There will always be time

Time to decide
Time to speak
Time to return

But life doesn't wait
For the perfect moment

And one day
We realize something simple

Later
Became never
