THE STORY

> *Your eyes met mine for seconds, but everything changed — a quiet connection neither of us could explain, pulling at the heart to just stay a while. Between leaving and staying there is a narrow moment where a whole other life quietly waits for an answer. Most of us walk on before it can begin. How many beginnings have passed us simply because we did not stay a few seconds longer?*

LYRICS

Stay For A While

VERSE 1

You stood there in the silence
Like time slowed down for you
Something in the moment
Felt suddenly true
Your eyes met mine for seconds
But everything changed
Like a quiet connection
We couldn't explain

PRE-CHORUS

Maybe this is nothing
Maybe it's the start
But something in the air tonight
Is pulling at my heart

CHORUS

Stay for a while
Stay right here
Something is starting
Right here

Stay for a while
No need to run
Maybe this moment
Has just begun

Stay for a while
Stay here tonight
Some things only happen
Once in a life

VERSE 2

Your voice was soft and distant
Like waves upon the shore
Every quiet second
Made me want it more

We stood between the moments
Of leaving or staying
Like time was slowly whispering
That something real was here

PRE-CHORUS

Maybe this is nothing
Maybe it's the start
But something in the air tonight
Is pulling at my heart

CHORUS

Stay for a while
Stay right here
Something is starting
Right here

Stay for a while
No need to run
Maybe this moment
Has just begun

BRIDGE

Sometimes a moment appears
That quietly changes everything
All you have to do
Is stay

FINAL CHORUS

Stay for a while
Stay right here
Maybe this moment
Has just begun

Stay for a while
Stay here tonight
Some things only happen
Once in a life

OUTRO

Stay for a while
Stay for a while
Right here
Stay right here
